Dear Clark

APP201774

The approval of APP201774 for the release of *Epichloë* strains from containment lapses on 22 April 2019. I requesting a five year extension for APP201774, so that we can retain the opportunity to release the endophyte strains not-yet-released under the current approval.

Yours sincerely,

A handwritten signature in black ink, appearing to read "J Caradus".

John Caradus
