Clause

What is your position on the application

Position

I oppose the application

Notes

I oppose the destruction of cats under any circumstances. I support Trap, neuter and return. It is ridiculous to even consider reducing the "safe" area and will result it pet animals being at risk even more.

Clause

All submissions are taken into account by the decision makers. In addition, please indicate whether or not you also wish to speak at a hearing if one is held.

Position

No I do not wish to speak about my submission at the hearing

Notes

Unfortunately I find it hard to leave work to attend matters elsewhere.
