Overall Notes:

Clause

What is your position on the application

Position

I oppose the application

Notes

This poison is inhumane and cannot be controlled once delivered. If on farmland there should be no stock allowed in that area for at least a year as it poisons the soil and grass.

Clause

All submissions are taken into account by the decision makers. In addition, please indicate whether or not you also wish to speak at a hearing if one is held.

Position

No I do not wish to speak about my submission at the hearing

Notes

Cats travel many kilometres and reducing the notification area puts people and their pets at great risk of poisoning.
