What is your position on the application

Position

I oppose the application

Notes

500m is far too short. Pet cats easily wander this distance. It's hard to understand how the cost of leaf letting houses within a 3km radius would be so costly....there are plenty of systems for delivery of junk mail/notices - so it can't be that hard. However, if that proves to be true, perhaps a compromise like 2kms would be OK.

Clause
