Position

I oppose the application

Notes

This is not the way feral cats should be dealt with. The feral cats are there because of people's poor decisions of not spaying or neutering led to this. The money it would cost to do this and to contact people in the areas near the bait could actually help those feral kitties get desexed, rehomed or moved to a safe location. Murder is NEVER the answer.

Clause

All submissions are taken into account by the decision makers. In addition, please indicate whether or not you also wish to speak at a hearing if one is held.

Position

No I do not wish to speak about my submission at the hearing
