**Overall Notes:**

**Clause**

What is your position on the application

**Position**

I oppose the application

**Notes**

The application represents a threat to the health and safety of pet cats. Pets are part of a family and the loss of a pet triggers the same grief response in people as the loss of human family members. I support the principle of predator eradication, but we can do this by supporting the SPCA catch and neuter program and by looking at a law to phase out domestic cat ownership.

**Clause**

All submissions are taken into account by the decision makers. In addition, please indicate whether or not you also wish to speak at a hearing if one is held.

**Position**

No I do not wish to speak about my submission at the hearing
