**Clause**

What is your position on the application

**Position**

I oppose the application

**Notes**

I do not consider the proposed 500m distance for notification to householders is adequate. I can appreciate 3km is too much I think 1km may be a more realistic range for notification.

**Clause**

All submissions are taken into account by the decision makers. In addition, please indicate whether or not you also wish to speak at a hearing if one is held.

**Position**

No I do not wish to speak about my submission at the hearing
