Clause

What is your position on the application

Position

I oppose the application

Notes

I'm concerned by the proposal to shorten the distance of which neighbours must be notified. This will increase the risk to much loved cats with homes. Cats have been shown to have large territories and unless you bring in laws to limit these territories (such as, per dog control laws, that cats must be kept within their property) I fear there will be domestic cats inadvertently killed. I understand the need to protect wildlife by reducing the feral population, but please, not at the cost of our much loved pets, unless, as stated above you bring in other laws to help protect them. Thank you for your time

Clause

All submissions are taken into account by the decision makers. In addition, please indicate whether or not you also wish to speak at a hearing if one is held.

Position

No I do not wish to speak about my submission at the hearing
