**Overall Notes:**

**Clause**  
What is your position on the application

**Position**  
I oppose the application

**Notes**  
Family pets can roam far more than 500m and could mistakenly ingest this poison. If owners are unaware of poison being in the area, they may not take the immediate action required to save the life of their family pet. Also there may be lost domestic cats that may become victims of this. It just isn't responsible when there are much better/safer alternatives to be considered instead.

**Clause**  
All submissions are taken into account by the decision makers. In addition, please indicate whether or not you also wish to speak at a hearing if one is held.

**Position**  
No I do not wish to speak about my submission at the hearing
