**Position**

I oppose the application

**Notes**

Regarding the proposal to reassess under section 63A of the Hazardous Substances and New Organisms Act 1996 ('the Act') the requirement for end users to notify any landowners, households and residents within 3km of a feral cat control operation with PredaSTOP, specifically the proposal to reduce the distance from 3km to 500m - Domestic cats are known to have quite large territories. This may result in an increased risk to my cat as I may not be aware of baiting operations, and therefore can't chose to keep my cat inside.

**Clause**

All submissions are taken into account by the decision makers. In addition, please indicate whether or not you also wish to speak at a hearing if one is held.

**Position**
