

SUBMISSION FORM

For Hazardous Substance and New Organism Applications

Once you have completed this form

Send by post to: Environmental Protection Authority, Private Bag 63002, Wellington 6140

OR email to: submissions@epa.govt.nz

Once your submission has been received the submission becomes a public document and may be made publicly available to anyone who requests it. You may request that your contact details be kept confidential, but your name, organisation and your submission itself will become a public document.

Submission on application number:	APP203660
Name of submitter or contact for joint submission:	Craig Wilson
Organisation name (if on behalf of an organisation):	Rentokil-Initial
Postal address:	<p>██████</p> <p>██████████████████</p> <p>██████████████</p> <p>██████████</p>
Telephone number:	██████████
Email:	██████████████████████████████

I wish to keep my contact details confidential

The EPA will deal with any personal information you supply in your submission in accordance with the Privacy Act 1993. We will use your contact details for the purposes of processing the application that it relates to (or in exceptional situations for other reasons permitted under the Privacy Act 1993). Where your submission is made publicly available, your contact details will be removed only if you have indicated this as your preference in the tick box above. We may also use your contact details for the purpose of requesting your participation in customer surveys.

The EPA is likely to post your submission on its website at www.epa.govt.nz. We also may make your submission available in response to a request under the Official Information Act 1982.

-
- I support the application
- I oppose the application
- I neither support or oppose the application

The reasons for making my submission are¹: (further information can be appended to your submission, see footnote).

Rentokil-Intial is an Approved Treatment Supplier for Methyl Bromide treatments in New Zealand.

We wish to be in attendance at the hearing.

All submissions are taken into account by the decision makers. In addition, please indicate whether or not you also wish to speak at a hearing if one is held.

- I wish to be heard in support of my submission (this means that you can speak at the hearing)
- I do not wish to be heard in support of my submission (this means that you cannot speak at the hearing)

If neither box is ticked, it will be assumed you do not wish to appear at a hearing.

I wish for the EPA to make the following decision:

We support the changes proposed to the recapture controls as stated in the application by STIMBR. Our experience with recapture technology is consistent with the findings outlined in the application.

We support applicators employing validated recapture technology on all sheet and container fumigations, where recapture is a minimum of an 80% reduction of the Methyl Bromide remaining at the end of the fumigation and prior to venting.

We support the deferral of recapture controls for 10 years in respect of ship hold fumigation. This will allow for further investment in recapture technology; to both improve recapture technology for sheet and container fumigations, and investigate viable recapture technology for ship hold fumigations.

¹ Further information can be appended to your submission, if you are sending this submission electronically and attaching a file we accept the following formats – Microsoft Word, Text, PDF, ZIP, JPEG and JPG. The file must be not more than 8Mb.
