**Clause**

What is your position on the application? Please outline your reasons in the text box below.

**Notes**

I suggest we remove hi cane, every year when it's sprayed it kills the birds and also people chickens if you do lock them away and scrub the water container they do not survive. It also causes us to get allergies and head aches. We have children and spraying is often done during the weekends so we can't leave our house when this happens due to the side affects.

**Clause**

All submissions are taken into account by the decision makers. In addition, please indicate whether or not you also wish to speak at a hearing if one is held.

**Position**

No I do not wish to speak about my submission at the hearing
