**Clause**

What is your position on the proposals set out in the reassessment application? Please outline your reasons in the text box below.

**Position**

I support the application

**Notes**

I live 30 metres away from a Kiwifruit orchard that uses HiCane. I support the application. The financial benefits for New Zealand should never come at the cost of the health and lives of it's people (Covid lockdowns are a great example of this in practice). Equally New Zealand's flora and fauna, and animals, particularly native species with dwindling numbers, should not be put at risk for the sake of a profit. I find it concerning that New Zealand is one of the last countries in the world to ban the use of this product.

**Clause**

**Position**

No I do not wish to speak about my submission at the hearing
