**Notes**

I would like to see an end to the use of this agrochemical as soon as possible. I am concerned about the health and safety of orchard workers, nearby residents and animals and other risk to places like schools and childcare centres. I drive past Huanui orchards and have seen spraydrift and had to wind up car windows to avoid breathing the residue. I have seen the most of spray blow over nearby houses and Open Spaces preschool is close by. So is Huanui College. I believe it infringes on the rights of people to live a healthy life. I strongly support spray free or organic produce when possible. Please stop the use of this chemical. Thank you.
