Hi Amy

The Fisheries Submitters would like to file a memorandum in support of the EC submitters, which addresses specific concerns about availability of experts and fishery submitter witnesses. The Fisheries Submitters is a large group to coordinate, and I may not be able to file a memorandum prior to the DMC meeting.

You will have seen that the EC submitters sought a direction that other submitters are provided with an opportunity to respond to the timetable directions sought by the Applicant. This is because members of the public will probably not realise they can make comment without being offered an opportunity.

Kind regards
