Subject: EEZ000011 Public notification

Hello,

I write with reference to Trans-Tasman Resources Limited's Consent Application EEZ000011, for which the deadline for submissions is in four days.

The EPA's Public Notice of 15 September 2016 (<http://www.epa.govt.nz/EEZ/whats-going-on/current-applications/ttr-2016/Pages/default.aspx>) directs submitters to: <http://www.epa.govt.nz/EEZ/whats-going-on/current-applications/ttr-2016/Pages/default.aspx> for information about the EEZ000011 .

While this link gives:

- TTRL's application;
- information on the assessment procedure;
- the decision on the application;
- submission forms, and the facility to make an online submission

this link is dead.

Please fix this link, as it provides useful information upon which to base a submission

Please also consider extending the deadline for submissions for EEZ000011, as it not clear how long this link has been dead.

Thank you in advance for your help.

Kind regards
Paul Veltman
