Subject: RE: Fisheries Submitters' memorandum in support of requested extension REF:0363061

Importance: High

Dear Celia

The EPA website states "*The applicant also provided comment to the DMC on the proposed request*". The Applicant's response does not appear to be available on the EPA website.

Neither Talley's Group Limited nor Te Runanga o Ngati Ruanui Trust have been directly served with a copy of the Applicant's reply to the requested extension of time period.

The Decision -Making Committee is bound by the normal rules of procedure, and may not make a decision without ensuring that submitters are provided with a copy of the Applicant's response. Can you please advise when the Applicant's response will be made available on the EPA's website.

Kind regards

ROBERT MAKGILL
