

EXCLUSIVE ECONOMIC ZONE AND CONTINENTAL SHELF (ENVIRONMENTAL EFFECTS) ACT 2012 (the Act)

Coastal Resources Limited (CRL) application for marine dumping consent

M1 – Minute of the Decision-making Committee – 24 September 2018

Late Submission

1. The EPA received one late submission a week after the submission period closed on 10 September 2018.
2. The DMC considered whether the time limit for making the submission should be waived, taking into account the interests of any person who may be directly affected by the waiver, and the interests of the community in being able to achieve adequate assessment of the potential effects of a proposal. The EPA was mindful that this is a notified application and the submission process allows for public participation in the process.
3. Pursuant to section 160 of the Act the EPA waives the time limit for making a submission and accepts the late submission.
