**Notes**

**Clause**

We will send you regular updates by email

**Position**

I can receive emails and my email address is correct.

**Notes**

**Clause**

What decision do you want the EPA to make and why? Provide reasons in the box below.

**Position**

Refuse

**Notes**

Potential detrimental effects to marine life and water chemistry. Potential effects on environment, ecology, wildlife. The significant increased sediment dumpage may result in adverse surf effects/wave quality on Great BarrierIsland. Long term cumulative effects and the potential for swells to be redirected regarding the proposal aren't sufficiently understood - they're based on 1/5 the amount of dumpage each year.
