**Position**

I can receive emails and my email address is correct.

**Notes**

**Clause**

What decision do you want the EPA to make and why? Provide reasons in the box below.

**Position**

Refuse

**Notes**

The consent allows for the movement of contaminated material from mariners to the coast of GBI in which has little in the way of exotic marine species. As a concerned local who has grown up on the island fishing, diving and surfing on the subject coastline and from the material provided there is a potential for adverse effects proposed by this long term activity.
