Notes

Clause

We will send you regular updates by email

Position

I can receive emails and my email address is correct.

Notes

Clause

What decision do you want the EPA to make and why? Provide reasons in the box below.

Position

Refuse

Notes

The amount of dredged material being dumped off the coast of Great Barrier Island will definitely have negative effects on the environment. Further environmental assessment need to be done, regarding also the effects on Great Barrier Island's marine ecosystem, water quality, etc. I am strongly against the increase of the amount of dredged material being dumped so close from our Island. We, Great Barrier Island Residents, are strongly against it and we wish the EPA to really take in consideration our concerns. Thank you
