Notes

Clause

What decision do you want the EPA to make and why? Provide reasons in the box below.

Position

Refuse

Notes

The increase of the amount of dredged material being dumped off the coast of Great Barrier Island will have detrimental effects on the environment. An environmental assessment of the effects of the dumping on Great Barrier Island marine ecosystem needs to be done. The whole community on Great Barrier Island is against this and we all really hope that the EPA will hear our voices. Our commun interest is to protect our environment. Thank you
