## Completing this application form

This application form should be used if you intend to apply for a marine consent under the Exclusive Economic Zone and Continental Shelf (Environmental Effects) Act 2012 (the EEZ Act). The list of discretionary activities requiring a marine consent is identified in the EEZ Act.

[View the EEZ Act](#)

The information requirements for making an application are described in sections 38 and 39 of the EEZ Act. Your application must:

- a) Be made in the prescribed form, and
- b) Fully describe the proposal, and
- c) Include an impact assessment prepared in accordance with section 39 and any requirements prescribed in regulations, and
- d) If the application relates to an activity referred to in section 20(2)(a), (b), or (c), include a description in general terms of how and when it is proposed that the structure, submarine pipeline, or submarine cable will be dealt with at the end of its life.

If these requirements of the EEZ Act are not met, the EPA may return your application as incomplete or request further information from you to complete your application. You may attach additional information to support your application.

We recommend that you discuss these information requirements with the EPA before lodging the application. Contact details are 0800 208 338 (from within New Zealand) and +64 04 916 2426 (from overseas), or you can email the EPA at [eez.info@epa.govt.nz](mailto:eez.info@epa.govt.nz).

Please send the EPA an electronic copy of your application. Please separate large documents into smaller files less than 30 MB.

All documents lodged with this application, or that are referred to in the application, must be indexed in Section 6: Attachments.

Your personal and company information will be held by the EPA and used in relation to this application. You have the right to access and correct personal information held by the EPA. All information held by the EPA is subject to the Official Information Act 1982. Your full business contact details may be publicly available through our website. Your personal contact details (phone number, address and email) will not be made publicly available.

### Section 1: Applicant Details

**Organisation name:**

Tamarind Taranaki Limited

**Postal Address:**

Level 8, 33 Gill Street, New Plymouth 4342

**Phone:**

+64 6 759 2173

**Email:**

simon.knapman@tamarindresources.com

**Key contact name:**

Simon Knapman

**Phone:**

+64 6 759 3717

**Email:**

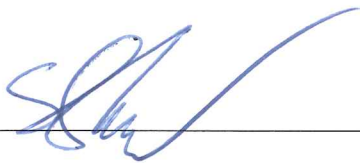

simon.knapman@tamarindresources.com

**Petroleum Mining Permit/license number (if applicable):**

PMP 38158

I understand that the EPA will recover all its actual and reasonable costs associated with processing this application.

Signed

Date

7/3/18.

## Section 2: Types of activities covered in this application

This application relates to the following activities (please tick all the boxes that apply).

### Section 20(2) Restriction on activities other than discharges and dumping

<input checked="" type="checkbox"/>	the construction, placement, alteration, extension, removal, or demolition of a structure on or under the seabed;
<input type="checkbox"/>	the construction, placement, alteration, extension, removal, or demolition of a submarine pipeline on or under the seabed;
<input type="checkbox"/>	the abandonment of a submarine pipeline that is on or under the seabed;
<input type="checkbox"/>	the placement, alteration, extension, or removal of a submarine cable on or from the seabed;
<input checked="" type="checkbox"/>	the removal of non-living natural material from the seabed or subsoil;
<input checked="" type="checkbox"/>	the disturbance of the seabed or subsoil in a manner that is likely to have an adverse effect on the seabed or subsoil;
<input checked="" type="checkbox"/>	the deposit of anything or organism in, on, or under the seabed;
<input checked="" type="checkbox"/>	the destruction, damage, or disturbance of the seabed or subsoil in a manner that is likely to have an adverse effect on marine species or their habitat.

### Section 20(4) Restriction on activities other than the discharge of harmful substances or, the dumping of waste or other matter

<input checked="" type="checkbox"/>	the construction, mooring or anchoring long-term, placement, alteration, extension, removal, or demolition of a structure, part of a structure, or a ship used in connection with a structure;
<input checked="" type="checkbox"/>	the causing of vibrations (other than vibrations caused by the propulsion of a ship) in a manner that is likely to have an adverse effect on marine life;
<input type="checkbox"/>	the causing of an explosion.

## Section 3: The proposal

<b>Provide a full description of your proposal</b>	<b>Page reference in application or EIA</b>
<p>Tamarind's application is to enable the drilling of side-track development wells from up to four (4) of its existing wells, including associated logistic and environmental monitoring activities, in the Tui Field. A total of five (5) side-tracks in total have been allowed for in the event that a second side-track is drilled from one of the wells.</p>	<p><b>Section 3</b> (Page 45 – 70)</p>
<b>Provide an anticipated timeline for the proposal or outline timeframes to give effect to the proposal</b>	
<p>The activities are anticipated to commence in Autumn 2018 and continue for up to approximately 9 months. The consent is sought for a total period of up to 5 years.</p>	<p><b>Section 3</b> (Page 45 – 70)</p>
<b>Provide a map showing the location of the proposed activity/activities, including New Zealand map grid reference coordinates</b>	
<p>Please refer to Figure 1.1 and Table 1.2 in the attached Impact Assessment.</p>	<p><b>Section 1.2</b> (Page 1 – 8)</p>
<b>Identify the information that addresses the decision-making matters set out in sections 59 and 60 of the EEZ Act</b>	
<p>To assist in the decision making with respect to Tamarind's current application, detailed information has been provided regarding the activities to be undertaken and the existing environment and interests in the area, along with an evaluation of potential impacts on the environment and existing interests from the activities.</p> <p>The effects of proposed planned activities on the environment and existing interests are addressed comprehensively in <i>Section 6</i> of the Impact Assessment. Potential effects of unplanned events associated with the activities are addressed in <i>Section 7</i> of the Impact Assessment. Potential effects on iwi and hapū cultural values are addressed in <i>Section 9</i> of the Impact Assessment.</p> <p>References to the relevant Impact Assessment sections addressing each of the requirements of the decision making criteria in s.59 and s.60 the EEZ Act are provided in Tables 2.3 and 2.4 of the Impact Assessment.</p>	<p><b>Section 6</b> (Page 111 – 147)</p> <p><b>Section 7</b> (Page 148 – 173)</p> <p><b>Section 9</b> (Page 184 – 185)</p> <p><b>Section 10</b> (Page 186 – 188)</p>

## Section 4: Impact assessment

Attach your impact assessment as Appendix 1 to this application. Your assessment needs to contain the information below and must comply with section 39 of the EEZ Act. Please include the page number(s) indicating where the information can be found within your assessment.

The impact assessment must contain the required information in:

- such detail as corresponds to the scale and significance of the effects that the activity may have on the environment and existing interests; and
- sufficient detail to enable the EPA and persons whose existing interests are or may be affected to understand the nature of the activity and its effects on the environment and existing interests.

	<b>Page ref.</b>
<b>4.1</b> Describe the activity (or activities) for which consent is sought	<b>Section 3.6</b> (Page 64 - 69)
<b>4.2</b> Describe the current state of the area where it is proposed that the activity will be undertaken and the environment surrounding the area	<b>Section 4</b> (Page 71 – 96)
<b>4.3</b> Identify persons whose existing interests are likely to be adversely affected by the activity	<b>Section 1.3</b> (Page 9 – 15)
<b>4.4</b> Identify the effects of the activity on the environment and existing interests (including cumulative effects and effects that may occur in New Zealand or in the sea above or beyond the continental shelf beyond the outer limits of the exclusive economic zone)	<b>Section 6</b> (Page 109 – 143) <b>Section 7</b> (Page 144 – 169) <b>Section 9</b> (Page 180 – 181) <b>Section 10</b> (Page 182 – 184)
<b>4.5</b> Identify the effects of the activity on the biological diversity and integrity of marine species, ecosystems, and processes	<b>Section 6</b> (Page 111 – 147) <b>Section 7</b> (Page 148 – 173)
<b>4.6</b> Identify the effects of the activity on rare and vulnerable ecosystems and habitats of threatened species	<b>Section 6</b> (Page 111 – 147)

	<p><b>Section 7</b> (Page 148 – 173)</p>
<p><b>4.7</b> Describe any consultation undertaken with persons described above in <b>4.3</b> and specify those persons who have given written approval to the activity</p>	<p><b>Section 1.4</b> (Page 15 – 17)</p>
<p><b>4.8</b> Include copies of any written approvals to the activity</p>	<p>N/A</p>
<p><b>4.9</b> Specify any possible alternative locations for, or methods for undertaking, the activity that may avoid, remedy, or mitigate any adverse effects</p>	<p><b>Section 1.5</b> (Page 17 – 18)</p>
<p><b>4.10</b> Specify the measures that could be taken to avoid, remedy, or mitigate the adverse effects identified (including measures that the applicant intends to take).</p>	<p><b>Section 6</b> (Page 109 – 143)</p> <p><b>Section 7</b> (Page 144 – 169)</p> <p><b>Section 9</b> (Page 180 – 181)</p> <p><b>Section 10</b> (Page 182 – 184)</p>
<p><b>4.11</b> Describe the effects on human health that may arise from the effects of the activity on the environment.</p>	<p><b>Section 6</b> (Page 111 – 147)</p> <p><b>Section 7</b> (Page 148 – 173)</p>

### Section 5: Related applications, consents, permits and/or licences

Does your proposal require related applications for marine consent under the EEZ Act?

<input type="checkbox"/> No	<input checked="" type="checkbox"/> Yes, the consents required are listed below.
-----------------------------	--

What other consents or permits/licences are required for the proposed activity/activities?

<input type="checkbox"/> None	<input checked="" type="checkbox"/> The required consents, permits and licences are listed below.
-------------------------------	---

Activity	Type of consent required	Reference (if applicable)	Authorisation granted (Y/N)
Discharge of offshore processing drainage	Marine Discharge Consent		N - Application being made concurrent with this marine consent application.

### Section 6: Attachments

List **all** documents submitted with the application.

Attachment number	Document name	Author	Document Version
01	Impact assessment under s 39 EEZ Act -  <i>Tui Field Drilling Activities - Impact Assessment to Support Notified Marine Consent and Marine Discharge Consent Applications</i>	ERM New Zealand Ltd	Rev 0
