Dear Lauren

Request for Further Information from Tamarind Taranaki Limited (Tamarind)

The Board of Inquiry (the Board) has asked me to request the following further information under section 54(1) of the Exclusive Economic Zone and Continental Shelf (Environmental Effects) Act 2012 (the EEZ Act) relating to your applications for marine consent to undertake sidetrack development drilling within the Tui Field, and for marine discharge consent to discharge offshore processing drainage from deck drains aboard a drill rig.

The further information is necessary, in the Board's opinion, to assist it in understanding and determining the applications and provide regulatory context to the proposed activities. The Board requests the following information in relation to your application:

It is understood that Tamarind will require marine consents additional to those subject to EEZ100016 to undertake further development drilling activities within the Tui Field.

1. Please advise what Tamarind considers is required by way of other marine consents to undertake the proposed drilling activity.
2. Provide an infogram, or other graphic, that shows all consents required to enable this drilling activity including the possible sequence or timing of lodgement of those applications.

In accordance with section 55 of the EEZ Act, within 5 working days from the date of this request you must either:

- a. provide the requested information; or
- b. write to the Board of Inquiry agreeing to provide the requested information; or
- c. write to the Board of Inquiry informing it that you refuse to provide the requested information.

If the Board receives written confirmation from you that you agree to provide the requested information, we are then required to set a reasonable time by which you must provide the information to us (section 55(2) of EEZ Act).

We anticipate that **23 July 2018** is a reasonable date for providing the further information. If you think you will be unable to provide the information to us by, please indicate a date by which you will be able to provide it to us.

Please provide this information to the EPA. The information will form part of the applicant and will be made available on the EPA website and provided to other parties.

If you have any questions or further queries please contact the Project Lead, Amy Selvaraj on 021 676 494 or Amy.Selvaraj@epa.govt.nz.

Yours sincerely
