Decline inadequate. The effects of undisclosed harmful chemicals to be discharged Further exploration and drilling for fossil fuels is culturally, socially, environmentally and economically irresponsible. The risks from cumulative impacts on threatened marine mammals are unacceptable - the assessment is grossly at sea cannot possibly be assessed. Climate change is real - New Zealand has the obligation to deliver its commitment to the Paris Agreement under the UNFCCC and the EEZ-CS Act must be amended to include considerations of climate change An assessment on potential risk and environmental impact must be submitted for public and environmental organization scrutiny
