Yes I/we wish to receive all communications relating to this application.

Notes

Ae - Yes, I/we wish to receive all communications relating to this application

Clause

What decision do you want the Board to make and why? Provide reasons in the box below.

Position

Refuse

Notes

Decline Further exploration and drilling for fossil fuels is culturally, socially, environmentally and economically irresponsible. The risks from cumulative impacts on threatened marine mammals are unacceptable - the assessment is grossly inadequate. The effects of undisclosed harmful chemicals to be discharged at sea cannot possibly be assessed. Climate change is real - New Zealand has the obligation to deliver its commitment to the Paris Agreement under the UNFCCC and the EEZ-CS Act must be amended to include considerations of climate change.
