Photo 2 Relaxing view of the Lagoon from bench seat

A photograph of a paved path in a park-like setting. The path is made of light-colored concrete slabs and curves from the foreground towards the right. On the left side of the path, there are dense green bushes and a large, dark green tree. On the right side, there is a green lawn and a large, mature tree with a thick trunk and spreading canopy. A concrete bench is positioned on the lawn near the path. In the background, a low concrete wall or fence is visible, and beyond that, some buildings and a clear sky. The lighting suggests it's daytime with shadows cast on the path.

Photo 3 View towards the Manukau Heads

A landscape photograph showing a multi-lane highway with several cars. In the foreground, there are tall, dark green grasses. Beyond the highway is a body of water, and in the distance, there are mountains under a blue sky with scattered white clouds. A large electrical transmission tower is visible on the right side of the image.
