

Resource Consent Application Form

For office use only: Private Bag 63002 Waterloo Quay Wellington 6140	Application number:
	Date received:

This form must be accompanied by a completed Nationally Significant Proposals Application Form.

All legislative references relate to the Resource Management Act 1991 (RMA) unless stated otherwise.

In accordance with Schedule 4 of the RMA, all information provided in this application must be specified in sufficient detail to satisfy the purpose for which it is required.

You must serve the relevant local authority with notice of this matter together with notice of its lodgement with the EPA.

Part I: Application for Resource Consent

Sections 145 (1) (a) and (5), Section 88 and Schedule 4, RMA.

This part of the form reflects the information requirements of Form 9 of the Resource Management (Forms, Fees, and Procedure) Regulations 2003.

This application is for the following type(s) of resource consent (section 87) (please tick all that apply):

- land-use consent
- subdivision consent
- water permit
- discharge permit
- coastal permit.

Have you completed and attached all relevant council application forms?

- Yes.
- No.

Provide a description of the activity to which the application relates.

ENVIRONMENTAL PROTECTION AUTHORITY

Resource consent applications by the NZ Transport Agency to authorise the construction and operation of the Northern Corridor Improvements Project (the Project). The Project covers SH18 between Albany Highway and Constellation Drive, and SH1 between the Upper Harbour Highway (UHH) interchange to just beyond the Oteha Valley Road interchange. Refer to Section 3 of the AEE Report, Volume 2, for a full project description. In summary the key elements of the Project are as follows:

- SH1 and SH18 motorway interchange connections;
- State highway capacity and safety improvements;
- Busway extension from Constellation Station and a connection to Albany Station;
- Reconfiguration of Constellation Station;
- Shared Use Path (SUP) provision along existing SH1 and SH18 routes for the full extent of the Project:
 - Constellation Station to Oteha Valley Road;
 - Constellation Drive to Albany Highway; and
 - Intermediate linkages to the local network.

Provided in the table attached to this form is a summary of the resource consents sought by the NZ Transport Agency for the Project under the Auckland Unitary Plan Operative in Part (15 November 2016) and the Resource Management (National Environmental Standard for Assessing and Managing Contaminants in Soil to Protect Human Health) Regulations 2011 with a more detailed explanation set out in Section 6 of the AEE Report, Volume 2. Plans and elevations of the Project are provided in the Scheme Plans and Drawings, Volume 5.

Attach, in accordance with the Fourth Schedule of the RMA, an assessment of environmental effects in such detail as corresponds to the scale and significance of the effects that the activity may have on the environment.

Refer to the AEE Report, Volume 2 and the Technical Assessments, Volume 3.

Attach any information required to be included in this application by the district plan, the regional plan, the RMA or any regulations made under the Act.

See the following attachments:

- Volume 1: Resource Management Act 1991 Forms
- Volume 2: Assessment of Environmental Effects
- Volume 3: Technical Assessments
- Volume 4: Urban Design and Landscape Framework
- Volume 5: Scheme Plans and Drawings

No additional information is required.

If relevant, attach any additional information required for resource consent for a subdivision (Schedule 4 (4)).

N/A

If relevant, attach any additional information required for resource consent for reclamation (Schedule 4 (5)).

A drainage channel south of Pond 1 is to be filled as part of the Project. The channel falls within the definition of 'stream' within the AUP and therefore its filling is considered a reclamation. The stream alignment is shown on the Sheet 8 of the Stormwater Layout Plans (250310-3PRE-3DES-DRG-1408, Volume 5). No esplanade reserves or esplanade strips are proposed.

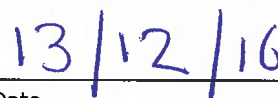

Part II: Signature

I hereby certify that, to the best of my knowledge and belief, the information given in this application is true and correct.

I acknowledge that I have read and understood any requirements detailed on the Nationally Significant Proposals Application Form. I understand that the EPA can recover any actual and reasonable costs associated with processing this application.

If the EPA determines that any application for a resource consent or an application for a change to or cancellation of the conditions of a resource consent is incomplete, it may return the application.

I understand that I must serve the relevant local authority with notice of this matter together with notice of its lodgement with the EPA.

Signature of applicant (or person authorised to sign on behalf of application)

Date

Note: Please complete the checklist on the following page prior to lodging this application. The checklist is designed to assist you in providing all relevant information and is not intended to be an exhaustive list of requirements.

Resource Consent Application Checklist

In accordance with the standard Form 9 of Form 9 of the Resource Management (Forms, Fees, and Procedure) Regulations 2003 requirements, the following should be provided:	✓
A discussion of the actual and potential effects of the matter on the environment in sufficient detail to satisfy the purpose for which it is required.	✓
A discussion regarding how actual or potential effects of the proposal will be avoided, remedied, or mitigated.	✓
The full name and address of each owner or occupier of the site(s).	✓
Evidence that all relevant resource consents required for the matter have been applied for.	✓
An assessment of the proposed activity against the matters set out in Part 2 of the RMA 1991.	✓
An assessment of the proposed activity against any relevant provisions of a document referred to in s 104(1)(b).	✓
*Plans and elevations relevant to the proposal.	✓
*A list of persons who are potentially adversely affected by the proposal.	
If the application is for a subdivision consent , the following has been included: <ul style="list-style-type: none"> • the position of all new boundaries • the areas of all new allotments • the locations and areas of new reserves (including esplanade reserves or esplanade strips) • the locations of any existing esplanade reserves, esplanade strips, and access strips • locations of any parts of the bed of a river or lake to be vested in the territorial authority • locations and areas of any land within the coastal marine area; and • the locations and areas of land to be set aside as new roads. 	N/A
If the application is for reclamation , the following has been included: <ul style="list-style-type: none"> • the location of the proposed reclamation • the positions of all new boundaries, and • the portion of the area (if any) to be set aside as an esplanade reserve or esplanade strip. 	✓
	N/A
	N/A

*These points are recommended to help with the processing of your application but are not required.

Resource Consents required for the Project

Rule Reference	Rule	Activity Status
Land use consents pursuant to s9 of the RMA for operation activities		
Rule E26:A78 Infrastructure	Vegetation alteration or removal not otherwise provided for within a Significant Ecological area for the operation, maintenance, renewal, repair, construction and removal of network utilities and electricity generation facilities and minor infrastructure upgrading.	Discretionary
Rule E26:A78 Infrastructure	Tree trimming, alteration or removal not otherwise provided for within a riparian margin for the operation, maintenance, renewal, repair, construction and removal of network utilities and electricity generation facilities and minor infrastructure upgrading.	Discretionary
Rule E26:A103 Infrastructure	Earthworks greater than 50,000m ² where land has a slope less than 10 degrees outside the Sediment Control Protection Area other than for the maintenance, repair, renewal or minor infrastructure upgrading in all zones.	Restricted Discretionary
Rule E26:A106 Infrastructure	Earthworks greater than 2,500m ² where the land has a slope equal to or greater than 10 degrees other than for the maintenance, repair, renewal or minor infrastructure upgrading in all zones.	Restricted Discretionary
Rule E26:A107 Infrastructure	Earthworks greater than 2,500m ² within the Sediment Control Protection Area other than for the maintenance, repair, renewal or minor infrastructure upgrading.	Restricted Discretionary
Rule E26:A117 Infrastructure	Earthworks from 10m ² to 2,500m ² and from 5m ³ to 2500m ³ within a Significant Ecological Area.	Restricted Discretionary
Rule E26:A118 Infrastructure	Earthworks for infrastructure greater than 2500m ² or 2500m ³ within a Significant Ecological Area.	Discretionary

ENVIRONMENTAL PROTECTION AUTHORITY

Land Use Consents pursuant to s13 of the RMA for construction activities		
Rule E3:A23 Lakes, rivers, streams and wetlands	Works on structures lawfully existing on or before 30 September 2013 and the associated bed disturbance or depositing any substance, diversion of water and incidental temporary damming of water. Replacement, upgrading or extension of existing structures complying with the standards in E3.6.1.12 within a Significant Ecological Area.	Restricted Discretionary
Rule E3:A26 Lakes, rivers, streams and wetlands	Works on structures lawfully existing on or before 30 September 2013 and the associated bed disturbance or depositing any substance, diversion of water and incidental temporary damming of water. Any activities not complying with the general permitted activity standards in E3.6.1.1 or the specific activity standards in E3.6.1.10 – E3.6.1.13.	Discretionary
Rule E3:A39 Lakes, rivers, streams and wetlands	New structures and the associated bed disturbance or depositing any substance, reclamation, diversion of water and incidental temporary damming of water. Stormwater or wastewater outfall complying with the standards in E3.6.1.14 within a Significant Ecological Area.	Discretionary
Rule E3:A41 Lakes, rivers, streams and wetlands	New structures and the associated bed disturbance or depositing any substance, reclamation, diversion of water and incidental temporary damming of water. Surface water intake structure.	Discretionary
Rule E3:A49 Lakes, rivers, streams and wetlands	Reclamation and drainage and associated structures, bed disturbance or depositing any substance, diversion of water, incidental temporary damming of water, and discharges arising from the piping of a reclaimed waterbody associated with: New reclamation or drainage, including over a piped stream.	Non-Complying
Water permits pursuant to s14 of the RMA for operation activities		
Rule E7:A13 Diverting surface water and associated discharge of water	Diverting surface water not meeting the permitted activity standards or not otherwise listed.	Discretionary
Water permits pursuant to s14 of the RMA for construction activities		
Rule E7:A13 Diverting surface water and associated discharge of water	Diverting surface water not meeting the permitted activity standards or not otherwise listed.	Discretionary
Rule E7:A20 Groundwater take	Dewatering or groundwater level control associated with a groundwater diversion authorised as a restricted discretionary activity under the Unitary Plan, not meeting permitted activity standards or is not otherwise listed.	Restricted Discretionary
Rule E7:A28 Groundwater diversion	The diversion of groundwater caused by any excavation (including trench) or tunnel that does not meet the permitted activity controls or is not otherwise listed for in all zones.	Restricted Discretionary

ENVIRONMENTAL PROTECTION AUTHORITY

Discharge permits pursuant to s15 of the RMA for operation activities		
Rule E8:A10 Stormwater discharge and diversion	All other diversion and discharge of stormwater runoff from impervious areas not otherwise provided for.	Discretionary
Rule E9:A9 Stormwater quality- high use roads	Development of a new or redevelopment of an existing high use road that does not comply with the relevant permitted or controlled activity standards.	Restricted Discretionary
Rule E10:A3 Stormwater management area- Flow 1 and 2	Development of new or redevelopment of existing impervious areas greater than 50m ² within Stormwater management area control – Flow 1 or Stormwater management area control – Flow 2 complying with Standard E10.6.1 and Standard E10.6.4.1.	Restricted Discretionary
Rule E10:A7 Stormwater management area- Flow 1 and 2	Development of new or redevelopment of existing impervious areas greater than 5,000m ² for a road, motorway or state highway operated by a road controlling authority or rail corridor within Stormwater management area control – Flow 1 or Stormwater management area control – Flow 2 that complies with Standard E10.6.1 and Standard E10.6.4.2.	Restricted Discretionary
Discharge permits pursuant to s15 of the RMA for construction activities		
Rule E4:A11 Discharges of contaminants	Discharge of water and/or contaminants (including washwater) onto or into land and/or into water from any of the following: (a) cleaning, maintenance and preparation of surfaces of buildings, and associated structures; (b) construction, repair, maintenance, upgrade or removal of network utility infrastructure; or (c) construction, repair, maintenance, upgrade or removal of any component of the stormwater or wastewater network.	Controlled
Rule E14:A82 Air quality	Earthworks and the construction, maintenance and repair of public roads and railways not meeting the general permitted activity standards.	Restricted Discretionary
Rule E14: A158 Air quality	Discharges of contaminants to air from waste processes. Landfills that ceased receiving waste materials (closed landfill) after 1 October 1991, and contained at least 200,000 tonnes of waste materials at the time of closure.	Restricted Discretionary
Rule E30:A7 Contaminated land	Discharges of contaminants into air, or into water, or onto or into land not meeting controlled activity Standard E30.6.2.1.	Discretionary

Resource Management (National Environmental Standard for Assessing and Managing Contaminants in Soil to Protect Human Health) Regulations 2011 (NES_{soil})

Resource consent for **Discretionary activity** is sought under the NES_{soil} for the disturbance of soil and the change in land use (Regulation 8(3)).

Application for resource consent

Resource Consents Department Under Section 88 of the Resource Management Act 1991

To: Auckland Council
Private Bag 92300
Auckland 1142

You may post or deliver your application to your nearest Auckland Council service centre.

This form provides the council with your contact information and details about your proposal. If you need help completing this form or you are unsure about which form to use, visit aucklandcouncil.govt.nz/resourceconsents where you will find helpful guidance notes, or contact the council on 09 301 0101.

If you fail to complete this form and provide the necessary information, including the deposit fee, your application may not be accepted for processing. See [Guidance Note 3](#).

7. Description of proposed activity (If insufficient space, please provide on additional pages.):

8. Other activities

Choose either:

There are no other activities that are part of the proposal to which this application relates.

The other activities that are part of the proposal to which the application relates are as follows:

(Describe the other activities. For any activities that are permitted activities, explain how the activity complies with the requirements, conditions, and permissions of any Plan or regulation so that a resource consent is not required for that activity under section 87A(1) of the RMA.)

9. Pre-application information

Have you had a pre-application meeting with the council regarding this proposal?

Yes

No

Copy of minutes attached

Date of meeting:

If 'yes', provide the reference number and/or name of staff member:

10. Site visit requirements

10.1 Is there a locked gate or security system restricting access by council staff?

Yes

No

10.2 Is there a dog on the property?

Yes

No

10.3 Provide details of any entry restrictions or hazards that council staff should be aware of, e.g. health and safety, organic farm, measures to inhibit the transfer of Psa-V etc.

11. Notification of your application

Are you requesting that the application be publicly notified?

Yes

No

If 'yes', please provide an executive summary below and an electronic version of your application for notification purposes.

Please refer to the Standards for submitting documents electronically found at the council's website aucklandcouncil.govt.nz/resourceconsents

12. Mana Whenua cultural values assessment and the Proposed Auckland Unitary Plan Decisions Version (PAUP DV)

12.1 Is your proposal located within a "Site or Place of Significance to Mana Whenua" as identified in the PAUP Decisions Version?

Yes

No

12.2 Is your proposal one of those types of activities where effects on Mana Whenua cultural values are required to be considered?

Yes

No

12.3 If 'yes' to 12.1 or 12.2, have you contacted all the relevant Mana Whenua groups to establish whether their values are affected by your proposal?

Yes

No

12.4 If 'yes', please provide details with your application of all Mana Whenua groups contacted and their responses.

Please note that providing this information with the lodgement of your application will assist in processing your application in a timely manner. If you have not provided the relevant information your application may need to be placed on hold while this information is obtained.

In any case, please note that the council can assist you in determining whether the PAUP DV provisions referred to above apply and, if so, which Mana Whenua groups need to be approached. For more information refer to the "Engaging with Mana Whenua" page at aucklandcouncil.govt.nz

13. Information to be submitted with your application

To satisfy the requirements of Section 88(2) and Schedule 4 of the Resource Management Act 1991 (RMA), please attach the following information to your application:

Accept/Reject

Four copies (including one unbound) of all information, including plans, for all applications. If you are providing a PDF electronic version of all information, only two hard copies are required. Refer to Guidance note 2 for guidance on the preparation of plans.

Application deposit fee – refer to the council's Fees and Charges Schedule. Indicate method of payment below:

Cheque attached Amount paid \$	Credit card	Customer account Customer acc/number:
-----------------------------------	-------------	--

Certificate(s) of Title less than three months old for the site to which this application relates. Attach the title and any consent notices, covenants, easements attached to the title if relevant or affected by the proposed activity.

Locality plan or aerial photo. Indicate the location of the site in relation to the street and other landmarks. Show the street number of the subject site and those of adjoining sites.

Detail(s) of the resource consent(s) being applied for including reference to specific rule(s) and reasons for consent.

An assessment of effects on the environment in accordance with Schedule 4 of the RMA at a level of detail that corresponds with the scale and significance of the effects that the proposed activity may have on the environment. This may require one or more technical specialist reports. Include a full description of the proposed activity, the effects that may be generated and how these would be managed. For more information refer to Schedule 4 of the RMA and the council's Guidance note 1.

An assessment against the matters in Part 2 of the RMA. This may be included in your AEE or in a separate document. For more information refer to Schedule 4 of the RMA and the council's Guidance note 1.

An assessment against any relevant provisions of a statutory document (e.g. district and regional plans, the PAUP DV, National Policy Statements etc.). This may be included in your AEE or in a separate document. For more information refer to Schedule 4 of the RMA and the council's Guidance note 1.

Include other information required by the relevant section of the operative district plan, an operative regional plan, the PAUP DV, the RMA or any regulations made under that act.

Include details (name, postal and site address) of consultation undertaken (including with iwi) and any responses from persons consulted. For more information refer to Schedule 4 of the RMA and Guidance note 1.

A completed checklist where relevant to your application.

14. Additional information – for regional consents or permits only under operative regional plans or the PAUP DV

14.1 Map reference of proposed works:

mE

mN

Use New Zealand Transverse Mercator (NZTM), e.g. 1756730mE 5919740mN.

Ensure that the location of your activity is marked to an accuracy of 10 metres on your location plan. You can obtain your map coordinates and an aerial photo from the Auckland Council GeoMaps (GIS viewer) found on the home page of the council's website, aucklandcouncil.govt.nz

14.2 Please provide the map reference of discharge points if relevant.

Map reference of proposed discharge or take point(s):

mE

mN

Is the discharge/take location on the same property as the application site?

Yes

No

If 'no', complete the details below.

Name or property owner: (If not the same)

Address:

Postcode:

Legal description:

Documentation confirming easement and/or covenants for wastewater, including a certificate of title for the property where the discharge occurs.

If required, also attach land owner approval.

14.3 Give the name of any stream, river or lake (or if the stream is unnamed, state which water body it is a tributary of).

Stream name:

or tributary of:

14.4 Please indicate the duration for which you are requesting a permit (if relevant):

years

15. Signature of the applicant(s) or agent

Please read these notes before signing the application form

Payment of fees and charges

The council may charge the applicant for all costs actually and reasonably incurred in processing this application. Subject to the applicant's rights under sections 357B and 358 of the RMA to object to any costs, the applicant undertakes to pay all and future processing costs incurred by the council. The council may issue interim invoices for applications. If any steps, including the use of debt collectors and/or lawyers, are necessary to recover unpaid processing costs, the applicant agrees to pay all collection costs. If this application is made on behalf of a trust (private or family), a society (incorporated or unincorporated) or a company, in signing this application the applicant binds the trust, society or company to pay all the above costs and guarantee to pay all the above costs in their personal capacity. Refer to the council's Fees and charges schedule found at: aucklandcouncil.govt.nz/resourceconsents

Note: Some regional permits include ongoing annual charges in addition to the processing fee. These are payable by the consent holder.

Development and financial contributions

When granting consent to certain activities, the council may levy a monetary contribution. Development contributions are levied under the Local Government Act 2002 in accordance with the council's Development Contribution Policy. Financial or reserve contributions are levied under the RMA under the relevant district plan. When such contributions become due, the consent holder is responsible for their payment. Unless otherwise advised, the name and contact address of the person responsible for payment of any contributions will be taken as the applicant.

Alternative contact and address for development and financial contributions:

Name:

Address:

Postcode:

Site visit

By signing this form, if you are the owner of the application site, you confirm that the council may undertake a site inspection.

Privacy information

The council requires the information you have provided on this form to process your application under the RMA and to collect statistics. The council will hold and store the information, including all associated reports and attachments, on a public register. The details may also be made available to the public on the council's website. These details are collected to inform the general public and community groups about all consents which have been processed or issued through the council. If you would like to request access to, or correction of any details, please contact the council.

Declaration for the applicant or authorised agent or other

I/we confirm that I/we have read and understood the notes above.

If a private or family trust is the applicant, at least two New Zealand-based trustees are required to provide contact details and sign this form.

Applicant's name: **Brett Gliddon, State Highway Manager, Auckland & Northland, NZ Transport Agency**

Applicant's signature:
