Subject: RE: Witnesses who may be excused from presenting

Good morning,

We act for Waste Management NZ Ltd in relation to the the Northern Corridor Improvements Proposal.

Further to the Board's request below, in relation to Mr Kennedy we confirm that at this stage:

- Mr Kennedy does wish to update his written brief of evidence; and
- We therefore have no objection to Mr Kennedy's written evidence being admitted by consent.

Discussions between WMNZ and the Transport Agency are ongoing. Accordingly, in the unlikely event the above position regarding Mr Kennedy's evidence changes, we will advise the EPA as soon as that may occur.

Please do not hesitate to contact us if you have any queries.

Kind regards
Kate
