**Subject:** RE: Conferencing session – extra planning session next week

Good morning,

We act for Waste Management NZ Ltd in relation to the Northern Corridor Improvements proposal.

In relation to the extra planning conferencing session, we request that Ms Andrea Brabant, planning expert for WMNZ, please be excused from this additional conferencing. WMNZ's concerns with the proposal, and Ms Brabant's evidence, relate to the proposals' site-specific effects on WMNZ's Rosedale Refuse Transfer Station at 117 and 123 Rosedale Road. WMNZ is not concerned about the potential noise and vibration effects of the proposal and has no interest in the outcome of any additional conferencing on these matters.

Please do not hesitate to contact us if you have any queries.

Kind regards  
Kate
