May it please the Board:

- 1 Paragraph 60 of the Board's Inquiry Procedures requires parties to give written notice of their intention to cross-examine witnesses. The notice must also state the expected length of, and topics to be addressed in, questioning. This memorandum comprises the notice for the New Zealand Transport Agency.
- 2 The time required for cross-examination, and the topics to be canvassed, may reduce if issues are resolved through conferencing and agreement between the parties.
- 3 Counsel for the New Zealand Transport Agency intend to cross-examine witnesses, as set out in the table below.

Witness	Topics	Time required
Kathryn King (Auckland Transport)	Additional shared use path ('SUP') links and extensions.	15 minutes
Andrew Maule (Auckland Transport)	Construction effects on bus services. AT's involvement in design of changes at Constellation and Albany bus stations.	15 minutes
Alastair Lovell (Auckland Transport)	Conditions. Designation extent.	30 minutes
Andrew Newcombe (Auckland Transport)	Need to future proof for future Rosedale Busway Station.	10 minutes
Martin Peake (Auckland Transport)	Construction traffic effects.	15 minutes
Stephen Brown (Auckland Council)	SUP location and connections. Alexandra underpass.	30 minutes
Simonne Eldridge (Auckland Council)	Landfill conditions	15 minutes

Witness	Topics	Time required
Rhys Hegley (Auckland Council)	Construction noise effects. Construction vibration effects.	30 minutes
Maylene Barrett (Auckland Council)	Effects on specific reserves. Effects on recreation, including sports fields in the Albany area. Changes to walking and cycling connectivity in the Project area. Effects on Auckland Council's ability to complete the greenways network (including a SUP on the south side of SH18). Effects on the availability of open space generally in the Albany area. Alexandra underpass.	2 hours
Kok Chiang Lee (Auckland Council)	Access to Council's Stormwater ponds. Greville Road interchange flooding. Meadowood Reserve flooding. Stormwater conditions.	1 hour
Joanna Hart (Auckland Council)	Consistency with objectives and policies. Statutory assessment (section 171 and Part 2). Effects on urban design, landscape, visual and reserves. Conditions.	1 hour
Jack Turner (Auckland Council)	Consistency with objectives and policies. Statutory assessment (sections 104, 104D and Part 2). Biodiversity offset versus mitigation (ecology/reclamation of streams). Conditions.	1 hour
Duncan Tindall (Auckland Council)	SUP connections. Paul Matthews Drive intersection design. Future proofing provision. Effects on severance at SH18.	1 hour

Witness	Topics	Time required
	Alexandra underpass.	
David Willmott	Effects of the busway extension. Effects of SUP. Whether the Project plans for future traffic increases. Future proofing provision.	45 minutes.
Andrew Fraser and Howard Trautvetter (Kiwi Self Storage Limited)	Impact on views of site. Impact of land acquisition. Construction effects.	30 minutes
