Notes

I support the Forest & Bird submission to grant the application. In particular I support measures for the wider catchment which will protect: the water clarity and purity the scientific, ecological and biodiversity values habitat for indigenous flora and fauna cultural values wild, scenic and natural characteristics My submission relates to all of the application. I support the application. I seek that the Special Tribunal recommends granting the order to the Minister of the Environment. I do not want to present my views at the public hearing.

Clause

What is/are your view/s on the application?

Position

Support

Notes

I have visited the springs several times over the years with my family and we have marveled at the clarity of the water, the colours and how the water comes up out of the earth in such enormous quantities. We used to live in Nelson, then Wakefield, so had and retain personal interests in the maintenance of this icon in its purest form. Alan (Prof Alan Quartermain - currently University of Goroka, Papua New Guinea).
