### Notes

I support the Forest & Bird submission to grant the application. In particular I support measures for the wider catchment which will protect: the water clarity and purity the scientific, ecological and biodiversity values habitat for indigenous flora and fauna cultural values wild, scenic and natural characteristics My submission relates to all of the application. I support the application. I seek that the Special Tribunal recommends granting the order to the Minister of the Environment. I do not want to present my views at the public hearing.

### Clause

What is/are your view/s on the application?

### Position

Support

### Notes

Having visited these beautiful springs, they are indeed a national treasure. Please value and protect them by ensuring this Conservation Order. More irrigation will only result in degraded water quality - you only have to look at the ecological disaster happening in Canterbury as a result of greed and over-irrigating the land. Please don't follow that example but instead be national leaders in protecting our waterways

### Clause

I/we seek the following recommendation from the Special Tribunal to the Minister for the Environment

### Position

Grant the order

### Notes

### Clause
