### Notes

I have never been to the Te Waikoropupu Springs, however I would love for these springs to be protected and looked after for such a time I am so fortunate to see them or for our following generations!! Please look after our waters... they're so precious, there aren't too many places left on earth like this and the detriment of them will only create a domino/butterfly effect for the health and sustenance of everything else. Thank you for your time. Kind regards, Kristin Joy Haswell
