Notes

I support the Forest & Bird submission to grant the application. In particular I support measures for the wider catchment which will protect: the water clarity and purity the scientific, ecological and biodiversity values habitat for indigenous flora and fauna cultural values wild, scenic and natural characteristics My submission relates to all of the application. I support the application. I seek that the Special Tribunal recommends granting the order to the Minister of the Environment. I do not want to present my views at the public hearing.

Clause

What is/are your view/s on the application?

Position

Support

Notes

The springs are arguably the finest and produce the clearest water in New Zealand and possibly even the southern hemisphere. They form an important benchmark against which other springs can be compared. They are analogous to "type sections" in geology which are protected against sampling or disturbance. A Water Conservation Order would provide similar, vital protection.

Clause

I/we seek the following recommendation from the Special Tribunal to the Minister for the Environment

Position

Grant the order

Notes

Clause
