### Position

Support

### Notes

We need to start reversing the current trend of allowing pollution levels to rise in favour of industry. The world is slowly changing in favour of preservation rather than exploitation. New Zealand should be at the forefront of this revolution, not lagging miles behind. We need to start managing our natural resources better to ensure the next generations will have access to these resources. Lets start fixing the mess we have made not add more to it.

### Clause

I/we seek the following recommendation from the Special Tribunal to the Minister for the Environment

### Position

Grant the order
