Notes

New Zealand has some incredibly unique treasures, including the Te Waikokopupu Springs. I spent my childhood visiting the springs and when I was back in the area recently, marveled once more at their beauty and clarity. I want my children to be able to enjoy the same sense of wonder and beauty, and show them how to protect our wonderful natural environment. I want to protect what we have now, before the damage is irreversible. A Water Protection Order is certainly a step in the right direction and I fully support it.
