Hi we can't keep on making all our water DIRTY, We have to think off our Future and our children's children future, Plus the last time we (Diane my wife) walked up to the spring was on the the day we buried my Dad He loved that area because of the clean quite bubbling spring, he did a lot of work on the old power station up in the hills at Golden bay . Please start thinking on how our to save our country from pollution in all shapes and form Regards David Goodin
