

# Water Conservation Order: Te Waikoropupū Springs and Associated Waterbodies

Submission Reference no: 463

Donna Field

Submitter Type: Individual

Source: Email

## Overall Notes:

### Clause

The specific parts of the application that my/our submission relates to are:

### Notes

I support the Forest & Bird submission to grant the application. In particular I support measures for the wider catchment which will protect: the water clarity and purity the scientific, ecological and biodiversity values habitat for indigenous flora and fauna cultural values wild, scenic and natural characteristics My submission relates to all of the application. I support the application. I seek that the Special Tribunal recommends granting the order to the Minister of the Environment. I do not want to present my views at the public hearing.

### Clause

What is/are your view/s on the application?

### Position

Support

### Notes

Living in CAnterbury I have seen the huge impact intensification of farming has had on ground water. Te Waikoropupū Springs is an astoundingly beautiful and unique place that has scientific, ecological and biodiversity values found no where else in the area. Not only are the springs a precious piece of water but also the springs that re surge in the sea water are an important component of the ecosystem

### Clause

I/we seek the following recommendation from the Special Tribunal to the Minister for the Environment

### Position

Grant the order

### Notes

### Clause

Would you like to present your views on this submission to the Special Tribunal at a public hearing?

### Position

I/we do not want to present my/our views at a public hearing

### Notes
