In particular I support measures for the wider catchment which will protect: the water clarity and purity the scientific, ecological and biodiversity values habitat for indigenous flora and fauna cultural values wild, scenic and natural characteristics My submission relates to all of the application. I support the application. I seek that the Special Tribunal recommends granting the order to the Minister of the Environment. I do not want to present my views at the public hearing.

### Clause

What is/are your view/s on the application?

### Position

Support

### Notes

Although I/we have never visited these particular springs, we are aware that human and industrial activity to frequently overlook the outcomes and are obviously looking at \$costs and self interest. If Nz is ever to fully embrace the clean green image we (NZ) has sold to the World, we are right to be concerned that nature can not cope is the playing field is uneven. So on the basis of that, and having seen some beautiful Nz springs ourselves, we support Bird and Forests approach and submission concerning this beautiful waterway.
