**Subject:** Submission from <https://action.forestandbird.org.nz/tewaikoropupu/>

**My submission:**

I support the Forest & Bird submission to grant the application. In particular I support measures for the wider catchment which will protect:

- the water clarity and purity
- the scientific, ecological and biodiversity values
- habitat for indigenous flora and fauna
- cultural values
- wild, scenic and natural characteristics

My submission relates to all of the application. I support the application. I seek that the Special Tribunal recommends granting the order to the Minister of the Environment. I do not want to present my views at the public hearing.

It's incredibly important that the Hearing Panel understand your personal views about Te Waikoropupū Springs. Please tell them below what's important to you::	I can no longer watch as my Country is sold of for miserable profit for the benefit of a very few people.....these springs are a genuine marvel and are sacrosanct to all,not only the Hapu and Tribe in whose region they exist. I would ask the 'panel' that they show some genuine courage and refuse this and all subsequent applications for access to the Springs and their waters .
