## Overall Notes:

### Clause

The specific parts of the application that my/our submission relates to are:

### Notes

I support the Forest & Bird submission to grant the application. In particular I support measures for the wider catchment which will protect: the water clarity and purity, the scientific, ecological and biodiversity values, habitat for indigenous flora and fauna, cultural values, wild, scenic and natural characteristics. My submission relates to all of the application. I support the application. I seek that the Special Tribunal recommends granting the order to the Minister of the Environment. I do not want to present my views at the public hearing.

### Clause

What is/are your view/s on the application?

### Position

Support

### Notes

I visited Pupū Springs several years ago. What a beautiful place! Any increase in irrigated farming in the vicinity will not only threaten the water and the habitat of indigenous flora and fauna, but will no doubt have unforeseen consequences - and there will be no way back. Please do all that you can to protect and preserve this taonga for the joy and benefit of the local people, visitors, and future generations.

### Clause

I/we seek the following recommendation from the Special Tribunal to the Minister for the Environment

### Position

Grant the order

### Notes

### Clause

Would you like to present your views on this submission to the Special Tribunal at a public hearing?

### Position

I/we do not want to present my/our views at a public hearing
