Position

Support

Notes

I visited the springs when I was younger as a child and I was stunned by the clear crystal water. It looked beautiful and was very relaxing to visit. I want the chance for my own children to have the opportunity to view this beautiful slice of NZ as it was when I was younger. There are very few places in this country now where we can see water this clear!

Clause

I/we seek the following recommendation from the Special Tribunal to the Minister for the Environment

Position

Grant the order

Notes

Clause
