Notes

The Waikoropupu Springs are a taounga/treasure of Golden Bay - of natural, traditional, touristic, beautiful importance. Throughout the world, including "clean green New Zealand" water quality is diminished for drinking, swimming, irrigation. I believe it is our duty to maintain the quality of this water, in particular and all our rivers and lakes and seas too.

I/we seek the following recommendation from the Special Tribunal to the Minister for the Environment

Grant the order
