### Notes

I support the Forest & Bird submission to grant the application. In particular I support measures for the wider catchment which will protect: the water clarity and purity the scientific, ecological and biodiversity values habitat for indigenous flora and fauna cultural values wild, scenic and natural characteristics My submission relates to all of the application. I support the application. I seek that the Special Tribunal recommends granting the order to the Minister of the Environment. I do not want to present my views at the public hearing.

### Clause

What is/are your view/s on the application?

### Position

Support

### Notes

Having watched many videos and read multiple articles and Scientific reports, anything that can be done should be done to support our waterways. The state of saltwater and fresh water in NZ has deteriorated extremely rapidly. 20 years ago was the appropriate time to start serious action to improve our water. Unfortunately that didn't happen so now is the best time to take action.

### Clause

I/we seek the following recommendation from the Special Tribunal to the Minister for the Environment

### Position

Grant the order

### Notes

### Clause
