Notes

I support the Forest & Bird submission to grant the application. In particular I support measures for the wider catchment which will protect: the water clarity and purity the scientific, ecological and biodiversity values habitat for indigenous flora and fauna cultural values wild, scenic and natural characteristics My submission relates to all of the application. I support the application. I seek that the Special Tribunal recommends granting the order to the Minister of the Environment. I do not want to present my views at the public hearing.

Clause

What is/are your view/s on the application?

Position

Support

Notes

I first saw the springs in 1963 and what an impression it made--huge, so clear and pure looking and a natural wonder. 55 years on I am concerned about the threats to the aquifer and spring and fully support measures to give it the best protection possible so that generations to come can enjoy the springs as I have.
