Notes

I had fond memories of visiting as a child ... 30, 40 yrs ago. Magical. Visited 2 yrs ago... couldn't believe it! You could actually see the cows through the trees, worse still, you could smell the silage! Couldn't understand the complete lack of buffering/ safe areas. If that's allowable there, god help the water table up stream! A major tourist attraction, fragile, and clearly not protected. Modern farming. Don't get me started. Does the Epa have any teeth?
