Clause

The specific parts of the application that my/our submission relates to are:

Notes

I support the Forest & Bird submission to grant the application. In particular I support measures for the wider catchment which will protect: the water clarity and purity, the scientific, ecological and biodiversity values, habitat for indigenous flora and fauna, cultural values, wild, scenic and natural characteristics. My submission relates to all of the application. I support the application. I seek that the Special Tribunal recommends granting the order to the Minister of the Environment. I do not want to present my views at the public hearing.

Clause

What is/are your view/s on the application?

Position

Support

Notes

New Zealand needs to stand up and fight for its clean, green image and not give in to the demands of big business/big money. Money is only temporary but our landscape is precious and special places like this should be preserved for the future. We, as a nation, need to protect these places of outstanding beauty and importance to the ecology of our country. Short term benefits are often not beneficial when viewed in the long term.

Clause

I/we seek the following recommendation from the Special Tribunal to the Minister for the Environment

Position

Grant the order

Notes

Clause
