### Notes

I have lived in the Nelson Tasman area since 2000. It is my home and I treasure it. Te Waikoropupū Springs is an area of National and International importance. It is a sacred place which must be protected. Visiting the Springs is always a valued and spiritual experience for me. Over the years we have visited many times with friends and family from home and abroad. It's purity imparts a sense of wonder and joy. Please act to safeguard and protect the Springs. What will be most regretted over time? If we mess about with the catchment for the springs we risk their loss and we may never be able to fix it.
