### Notes

I fully support the Water Conservation Order: Te Waikoropupu Springs and Associated Waterbodies, filed from Ngāti Tama Ki Te Waipounamu Trust and Andrew Yuill. I am in line with their intention to seek protection of the values (listed below). Outstanding values around the Te Waikoropupu Springs and Associated Waterbodies are: i) Significance in accordance with tikanga Māori ii) Outstanding cultural and spiritual values iii) Visual clarity values (one of the clearest waters in the world!) iv) Biodiversity values and habitat for aquatic organisms and stygofauna as well as indigenous fauna and flora (aquifer fauna and flora is unique and irreplaceable) v) Recreational values and wild, scenic and natural characteristics. kind regards Roland Toder
